

ECO AGRO **RESOURCES**
**announces Norm Davy as Executive Vice President – Global
Sales and Marketing**

SARASOTA, FL – Eco Agro Resources LLC announced today the appointment of Norm Davy as Executive Vice President – Global Sales and Marketing based in Minneapolis, MN. Davy brings over 25 years of knowledge and experience within the Agriculture industry and most recently from his past responsibilities as the Senior Vice President with GEOSYS™, a Land O’ Lakes™ company.

“We’re excited to have Norm join our team,” states Andrew Semple, CEO and member of the Board of Eco Agro Resources.” “Further, I’m personally thrilled to reunite with Norm from our past days working together at Agrotain International when Norm served as a leader in the Enhanced Efficiency Fertilizers market.

Eco Agro Resources is introducing innovative new technologies like N-Yield™ nitrogen stabilizer, N-Link™ slow release nitrogen fertilizer, N-Bound™ nitrogen stabilizer and Phosgain™, a phosphate efficiency product to the global agricultural markets.

Semple anticipates rapid growth due to the fundamental need for greater efficiency in the use of fertilizers. “Farmers around the world need to become more efficient. As we expand into international markets with this broad portfolio, Norm’s successful track record will be key to fulfill our growth strategy,” says Semple.
