

Eco Agro Names Chuck Barber President, Global Sales

Sarasota, FL– US-based Eco Agro Resources announces that Chuck Barber has been selected to lead the global sales efforts for the company in a newly created position. Barber was previously VP with the specialty fertilizer group within the company.

"I am excited to be part of a fast-growing company like Eco Agro," remarks Barber. He observes, "We have a great team of experienced people, a proprietary line of patent-pending products including N YIELD™ and N-BOUND™ nitrogen stabilizers, and a number of products in the pipeline powered by PENXCEL™ technology." Barber previously held positions with Koch Agronomic Services, Agrotain International and The Scotts Company.

Andrew Semple, CEO of Eco Agro Resources congratulated Barber on his new appointment "I've known Chuck for years. His experience, his leadership ability and his work here with our company demonstrate the value he brings. We are pleased that Chuck can move up to serve our customers around the globe."

Barber is located at the Eco Agro headquarters in Sarasota, FL.
