**KOCH AGRONOMIC SERVICES AND ECO AGRO RESOURCES SETTLE PATENT  
LITIGATION**

WICHITA, Kan. – Following a mediation scheduled months ago by the parties, Koch Agronomic Services, LLC and Eco Agro Resources LLC jointly announced an agreement that settles litigation between the companies. The parties have been engaged in litigation since 2014 concerning claims brought by KAS with respect to one of its patents and counterclaims brought by Eco Agro. Financial and other terms of the agreement are confidential and were not disclosed.

###

**About the company:**

**Eco Agro** is a US-based nutrient efficiency company dedicated to the development and commercialization of technologies to help farmers grow crops more efficiently. With offices located in Florida, Texas, Illinois, North Carolina, Arkansas, Minnesota, China and Brazil, Eco Agro is providing innovative and quality products to the agricultural nutrient market, with focus on an economic, agronomic and responsible approach.
